We provide transport services within the community to ensure you stay connected and independent.

If you are registered with MyAged care and receive services under the Commonwealth Home Support Program then we can provide a subsidised transport service.

Not registered with MyAged Care? If you live at home and are over 65 (or over 50 for Aboriginal and Torres Strait Islanders) then give My Aged Care a call on 1800 200 422 and let them know you would like to be referred to Community Transport Service with CCCS.

Under 65yrs? We can provide transport services if you need to get somewhere but unable to access public transport or reside in a remote location – give us a call and we may be able to help you out under our Community Transport Program.

We also offer affordable full cost transport – if you have an NDIS plan, an Aged Care Package or simply want the comfort of a door to door service (NDIS/FCR).
